are:- 1. The villagers protest against
the introduction of the Union.
2. The village itself will be submerged
in a year or so & the ryots are arrang-

3. No taxes have been levied up to now
& the system has not been brought

Sir,

With reference to correspondence ending with Government Proceedings No.6858-I.W.(2)-12-2 dated 2.5.13 regarding petition of Parrambady Union in the Krishnagiri Taluk, I am to beg leave to state that the Special Land Acquisition Officer, Mettur Reservoir Works, reported in his No.30 dated 25.7.13 that the villagers in a body protest against the introduction of Union administration into their villages, that the villages would come under submersion in a year or so that the ryots are arranging to take up lands in exchange and to move the old village and that the conversion of the villages into Union might be reconsidered.

The matter was placed before the District Board when it met on 17.4.14 and it was resolved that Government be moved again to sanction the abolition of the Union.

I am of opinion that the prayer of the ryots is reasonable. As Government have already noted though the Union was sanctioned so far back as 1907, the union taxes have not as yet been levied and a panchayet was only appointed in 1911.

Had the system been fully introduced I should have said that it should be continued till the submersion of the village. Practically the system has to be introduced now newly. I do not see why the people should be troubled with Union taxes just now. No useful purpose will be served by beginning to improve at this stage a village that will soon be submerged.

2

I request therefore that Government may be pleased to sanction the recommendation of the District Board.

The entire correspondence ending with Special Land Acquisition Officer's No.60 dated 15.3.14 is herein enclosed.

An extract from the proceedings of the District Board is herewith submitted.

I have the honor to be

sir,

your most obedient servant
